Equipment Board Minutes

Meeting No. 1-71 of the OC Equipment Board was held on 9 November in Room 2D03, Headquarters Building. Those present were:

Equipment Board Members

I. Old Business

No old business was discussed. [] asked the date of the last Equipment Board meeting and was informed that the last meeting of record was on 24 March 1969. However, the first annual CCD RD&E Program Review (for which no minutes were recorded) was held on 4 December 1970.

II. New Business

[] began with an introduction of the second annual CCD RD&E presentation for the Equipment Board. The existing CCD workload was cited as the cause of the present six-month Clandestine Service [] Communications moratorium. (This moratorium expires 31 March 1972.)

[] noted that [] Communications (formerly known as []) will now be designated [] asked if this CCD review is intended as an informative

SECRET

25X1 [] briefing or whether criticisms and suggestions are in order.
[] replied that critiques and notes are invited;
he then turned the floor over to the individual Program
Managers for their presentation.

25X1 A. Coder/Keyers - []

Attachment E to this paper.

F. RS-531 Demonstration - [] 25X1

25X1 [] demonstrated the operation of the RS-531.

25X1 III. In closing [] asked for comments and a
critique rather than votes from the Equipment Board.

25X1 [] commented that a vote of confidence from the
Equipment Board, in lieu of comments, would be in order.

25X1 [] concurred. The meeting was then adjourned.
